(781) 1996 - 1997 Employee company supervisor Steiner Spitz Donau - bills, inventories, construction management, structural analysis and accounting of construction projects; Church Gedersdorf - Krems, facade renovation, remodelling, renovation, foreign planning, Lower Austria, the small building site to 500,000 .- Euro.

(782) 1996 - 1997 Employee company supervisor Steiner Spitz Donau - bills, inventories, construction management, structural analysis and accounting of construction projects; Reg. Council

Steffan - Krems Alauntal, retaining wall renovation, remodelling, renovation, capital planning, Lower Austria, the small building site to 500,000 .- Euro.

(783) 1996 - 1997 Employee company supervisor Steiner Spitz Donau - bills, inventories, construction management, structural analysis and accounting of construction projects; Blaim - Großbach, single-family home construction and retaining wall against ÖBB, remodelling, renovation, capital planning, Lower Austria, the small building site to 500,000 .- Euro.

(784) 1996 - 1997 Employee company supervisor Steiner Spitz Donau - bills, inventories, construction management, structural analysis and accounting of construction projects; Dr. Brunnbauer - Spitz, rehabilitation access EC and facade, reconstruction, rehabilitation, self-planning, Lower Austria, the small building site to 500,000 .- Euro.

(785) 1996 - 1997 Employee company supervisor Steiner Spitz Donau - bills, inventories, construction management, structural analysis and accounting of construction projects, Dr. Wagner - Krems, plastering and drywall, remodelling, renovation, capital planning, Lower Austria, the small building site to 500,000 .- Euro.

(786) 1996 - 1997 Self-employed as an office for CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Nestler Krems, CAD data collection project camps and operating buildings Göls Krems, insulation and flat roofs, new construction, reconstruction, rehabilitation, self-planning, Lower Austria, the small building site to 500,000 .- Euro.

(787) 1996 - 1997 Self-employed as an office for SV. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure, site supervision, inventory, surveys, preliminary submission and polishing planning, specification, procurement and contracts, construction management and billing construction residential complex Sachseneder Brauhausekeller Salzburg version, self-planning, Salzburg, major construction projects over 500,000 .- Euro.

(788) 1996 - 1997 Self-employed as an office for CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Sahir Bekir, CAD data collection project Multifamily Home Haitzendorf, specifications and project estimation, construction-, remodelling, renovation, capital planning, Lower Austria, the major construction projects over 500,000 .- Euro.

(789) 1996 - 1997 Self-employed as an office for CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture

and water pressure; Nestler Krems, CAD data collection project Multifamily Home STUVET Vienna, billing insulation, insulation and flat roofs, new construction, capital planning, City of Vienna, major construction projects over 500,000 .- Euro.

(790) 1996 - 1997 Self-employed as an office for CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure, insulation Nestler Krems, CAD data collection project camps and operating buildings Göls Krems, billing , insulation and flat roofs, new construction, reconstruction, rehabilitation, self-planning, Lower Austria, the small building site to 500,000 .- Euro.

(791) 1996 - 1997 Self-employed as an office for CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure, insulation Nestler Krems, CAD data collection project Multifamily Home 36 WEH Reifgasse Krems, billing , insulation and flat roofs, new construction, capital planning, Lower Austria, the major construction projects over 500,000 .- Euro.

(792) 1996 - 1997 Self-employed as an office for CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure, and Nestler Krems, CAD data collection project Winter School Langenlois billing insulation, insulation flat roofs, new construction, reconstruction, rehabilitation, self-planning, Lower Austria, the major construction projects over 500,000 .- Euro.

(793) 1996 - 1997 Self-employed as an office for CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Nestler Krems, CAD data collection project ALAG Multifamily Home Langenzersdorf, billing insulation, insulation and flat roofs, new construction, capital planning, City of Vienna, major construction projects over 500,000 .- Euro.

(794) 1996 - 1997 Self-employed as an office for CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Nestler Krems, CAD data collection project Multifamily Home STUVET Vienna, billing insulation, insulation and flat roofs, new construction, capital planning, City of Vienna, major construction projects over 500,000 .- Euro.

(795) 1996 - 1997 Self-employed as an office for CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure 1997 Self-employment; Sachseneder Krems, CAD data collection of the project inventory data Ring Road 10, 1st Floor, new construction, reconstruction, rehabilitation, self-planning, major construction projects over 500,000 .- Euro.

(796) 1996 - 1997 Self-employed as an office for CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Ostermann Egelsee, CAD data collection of the project house construction Egelsee, construction, capital planning, Lower Austria, the small building site to 500,000 .- Euro.

(797) 1996 - 1997 Self-employed as an office for CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Nestler Krems, CAD data collection project Multifamily Home STUVET Vienna, billing insulation, insulation and flat roofs, new construction, capital planning, City of Vienna, major construction projects over 500,000 .- Euro.

(798) 1996 - 1997 Self-employed as an office for CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Paderta Imbach, CAD data collection project rebuilding the family house in Imbach, New Build , remodelling, renovation, capital planning, Lower Austria, the small building site to 500,000 .- Euro.

(799) 1996 - 1997 Self-employed as an office for CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure, new Mag Jarosch, CAD data collection project rebuilding the family house in Schwallenbach, -, remodelling, renovation, capital planning, Lower Austria, the small building site to 500,000 .- Euro.

(800) 1996 - 1997 Self-employed as an office for CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure, and Nestler Krems, CAD data collection project Winter School Langenlois billing insulation, insulation flat roofs, new construction, reconstruction, rehabilitation, self-planning, Lower Austria, the major construction projects over 500,000 .- Euro.

(801) 1996 - 1997 Self-employed as an office for CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure 1997 Self-employment; Sachseneder Krems, CAD data collection of the project inventory data Ringstrasse 10, 2nd Floor, new construction, reconstruction, rehabilitation, self-planning, Lower Austria, the small building site to 500,000 .- Euro.

(802) 1996 - 1997 Self-employed as an office for CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure;, Sachseneder Langenlois CAD data collection project settlement obstruction

and parking determination of the project bearing Langenlois New construction, reconstruction, rehabilitation, self-planning, major construction projects over 500,000 .- Euro.

(803) 1996 - 1997 Self-employed as an office for CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Neuhofer Krems, CAD data acquisition of the project site rebuilding Lower road, new construction, remodelling , renovation, capital planning, Lower Austria, the small building site to 500,000 .- Euros, Federal monument office

(804) 1996 - 1997 Self-employed as an office for CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Christiane Reither Krems, CAD data collection of the project inventory documentation Dominikanerplatz, new construction, remodelling , renovation, capital planning, Lower Austria, the small building site to 500,000 .- Euros, Federal monument office

(805) 1996 - 1997 Self-employed as an office for CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Temper Maria Laach CAD data collection project for the disabled two-family house in Wiesmanns Reith, new construction , remodelling, renovation, capital planning, Lower Austria, the small building site to 500,000 .- Euro.

(806) 1996 - 1997 Self-employed as an office for CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Mag Jarosch, CAD data acquisition of the project construction of a tool shed in Schwallenbach, new , self-planning, Lower Austria, the small building site to 500,000 .- Euro.

(807) 1996 - 1997 Self-employed as an office for CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure, Bauer, CAD data acquisition of the project construction of a semi-detached house modification plans, new construction, capital planning, Lower Austria, the small building site to 500,000 .- Euro.

(808) 1996 - 1997 Self-employed as an office for CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and pressure water, new hotel Richard Lionheart, CAD data collection project billboard design in Dürnstein remodelling, renovation, capital planning, Lower Austria, the small building site to 500,000 .- Euros, Federal monument office

(809) 1996 - 1997 Self-employed as an office for CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Nestler Krems, CAD data collection project Pedagogical Academy Krems, billing insulation, insulation Part 1 and flat roofs, new construction, reconstruction, rehabilitation, self-planning, Lower Austria, the small building site to 500,000 .- Euro.

(810) 1996 - 1997 Self-employed as an office for CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Nestler Krems, CAD data collection project Winter School Langenlois, insulation, insulation and flat roofs , plate laying work, new construction, remodelling, renovation, capital planning, Lower Austria, the small building site to 500,000 .- Euro.

(811) 1996 - 1997 Self-employed as an office for CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Nestler Krems, CAD data collection project Pedagogical Academy Krems, billing insulation, insulation flat roofs and part 2, new construction, reconstruction, rehabilitation, self-planning, Lower Austria, the small building site to 500,000 .- Euro.

(812) 1996 - 1997 Self-employed as an office for CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure, Sachseneder Krems, CAD data collection of the project inventory data of the residential complex Salzburg brewery, new construction , remodelling, renovation, sound Moss, own planning, Salzburg, Salzburg, major construction projects over 500,000 .- Euros, Federal monument office

(813) 1996 - 1997 Self-employed as an office for CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure, - Krems, CAD data collection project Pedagogical Academy Krems, billing insulation Nestler insulation and flat roofs Part 3, new construction, reconstruction, rehabilitation, self-planning, Lower Austria, the small building site to 500,000 .- Euro.

1997 – 1998

(814) 1997 - 1998 Employee company supervisor Steiner Spitz Donau - bills, inventories, construction management, residential complex Sachseneder Ringstrasse 10, remodelling, renovation, capital planning, Lower Austria, the small building site to 500,000 .- Euro.

(815) 1997 - 1998 Employee company supervisor Steiner Spitz Donau - bills, inventories, construction management; Bakery Wilhelm - Goll - Krems, patio restoration, chimney reconstruction, remodelling, renovation, capital planning, Lower Austria, the small building site to 500,000 .- Euro, Federal monument office

(816) 1997 - 1998 Employee company supervisor Steiner Spitz Donau - bills, inventories, construction management; Ing Kozyga - Krems, restoration of fences, facade cleaning, remodelling, renovation, capital planning, Lower Austria, the small building site to 500,000 .- Euro.

(817) 1997 - 1998 Employee company supervisor Steiner Spitz Donau - bills, inventories, construction management, Wolfsberg Castle - Angern, general renovation, remodelling, renovation, capital planning, Lower Austria, the major construction projects over 500,000 .- Euro, Federal monument office.

(818) 1997 - 1998 Employee company supervisor Steiner Spitz Donau - bills, inventories, construction management; Zauner - Benking, garage, new construction, renovation, capital planning, Lower Austria, the small building site to 500,000 .- Euro.

(819) 1997 - 1998 Employee company supervisor Steiner Spitz Donau - bills, inventories, construction management, Hotel Richard the Lionheart - Dürnstein, broken pipe rehabilitation, reconstruction, rehabilitation, self-planning, small building site to 500,000 .- Euro, Federal monument office.

(820) 1997 - 1998 Employee company supervisor Steiner Spitz Donau - bills, inventories, construction management, Dr. Kudjelka - Krems, sewer repair truck damage, reconstruction, rehabilitation, self-planning, small building site to 500,000 .- Euro.

(821) 1997 - 1998 Employee company supervisor Steiner Spitz Donau - bills, inventories, construction management, - Euro BDA Klarissinnen Church Dürnstein, facade renovation, remodelling, renovation, capital planning, Lower Austria, the town of Dürnstein, federal, national heritage agency, Lower Austria, the small building site to 500,000 .- Euro.

(822) 1997 - 1998 Employee company supervisor Steiner Spitz Donau - bills, inventories, construction management; Pagitz - Krems, facade renovation, remodelling, renovation, capital planning, Lower Austria, the small building site to 500,000 .- Euro.

(823) 1997 - 1998 Employee company supervisor Steiner Spitz Donau - bills, inventories, construction management, Dr. Schwarz - Krems, single-family home construction, new construction, renovation, capital planning, Lower Austria, the small building site to 500,000 .- Euro.

(824) 1997 - 1998 Employee company supervisor Steiner Spitz Donau - bills, inventories, construction management; from Kugler - Krems, plaster renovation, remodelling, renovation, capital planning, Lower Austria, the small building site to 500,000 .- Euro.

(825) 1997 - 1998 Employee company supervisor Steiner Spitz Donau - bills, inventories, construction management; Euro - Amon Krems - Krems, plaster renovation, remodelling, renovation, capital planning, Lower Austria, the small building site to 500,000 .- Euro.

(826) 1997 - 1998 Employee company supervisor Steiner Spitz Donau - bills, inventories, construction management; Blaim - Groißbach, single-family home construction, new construction, renovation, capital planning, Lower Austria, the small building site to 500,000 .- Euro.

(827) 1997 - 1998 Employee company supervisor Steiner Spitz Donau - bills, inventories, construction management, Dr. Neubert - Krems, Kellergschoß renovation, remodelling, renovation, capital planning, Lower Austria, the small building site to 500,000 .- Euro.

(828) 1997 - 1998 Employee company supervisor Steiner Spitz Donau - bills, inventories, construction management; Schatzl - Furth, facade cleaning, new construction, renovation, capital planning, Lower Austria, the small building site to 500,000 .- Euro.

(829) 1997 - 1998 Employee company supervisor Steiner Spitz Donau - bills, inventories, construction management; Siller - Weinzierl, courtyard facade renovation, remodelling, renovation, capital planning, Lower Austria, the small building site to 500,000 .- Euro.

(830) 1997 - 1998 Employee company supervisor Steiner Spitz Donau - bills, inventories, construction management; Euro - Konrad - Dürnstein, sewer rehabilitation, reconstruction, rehabilitation, self-planning, Lower Austria, the small building site to 500,000 .- Euro.

(831) 1997 - 1998 Employee company supervisor Steiner Spitz Donau - bills, inventories, construction management; Paderta - Imbach, new construction, renovation, capital planning, Lower Austria, the small building site to 500,000 .- Euro.

(832) 1997 - 1998 Employee company supervisor Steiner Spitz Donau - bills, inventories, construction management, Sachseneder Eder, installation for handicapped persons, reconstruction, rehabilitation, self-planning, Lower Austria, the federal government, Lower Austria, the small building site to 500,000 .- Euro.

(833) 1997 - 1998 Employee company supervisor Steiner Spitz Donau - bills, inventories, construction management; Mogi - Krems, EC housing renovation, remodelling, renovation, capital planning, Lower Austria, the small building site to 500,000 .- Euro.

(834) 1997 - 1998 Employee company supervisor Steiner Spitz Donau - bills, inventories, construction management, Dr. Schreiber - Krems, Raw break 1st floor, remodelling, renovation, capital planning, Lower Austria, the small building site to 500,000 .- Euro.

(835) 1997 - 1998 Employee company supervisor Steiner Spitz a Donau - bills, inventories, construction management; Klotz - Furth, tool shed floor building, new construction, renovation, capital planning, Lower Austria, the small building site to 500,000 .- Euro.

(836) 1997 - 1998 Employee company supervisor Steiner Spitz Donau - bills, inventories, construction management, Sachseneder Krems Ringstrasse 10, gate insert, remodelling, renovation, capital planning, Lower Austria, the small building site to 500,000 .- Euro.

(837) 1997 - 1998 Employee company supervisor Steiner Spitz Donau - bills, inventories, construction management; Rauscher - Wösendorf, loft extension - underpinning, remodelling, renovation, capital planning, Lower Austria, the small building site to 500,000 .- Euro.

(838) 1997 - 1998 Employee company supervisor Steiner Spitz Donau - bills, inventories, construction management, Sachseneder Ring Road 10 Inge Rinke, housing redevelopment by burst pipes, remodelling, renovation, capital planning, Lower Austria, the small building site to 500,000 .- Euro.

(839) 1997 - 1998 Self-employed as an office for CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Nestler Krems, CAD data collection project Pedagogical Academy Krems, billing insulation, insulation and flat roofs Part 3, new construction, reconstruction, rehabilitation, self-planning, Lower Austria, the small building site to 500,000 .- Euro.

(840) 1997 - 1998 Self-employed as an office for CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Nestler Krems, CAD data collection project ALAG Multifamily Home Langenzersdorf, billing insulation, insulation and flat roofs, new construction, capital planning, City of Vienna, major construction projects over 500,000 .- Euro.

(841) 1997 - 1998 Self-employed as an office for CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture

and water pressure, the Ing Pfalz Krems, CAD data collection of the project new, to and remodelling multi-family residential building in Krems, new construction, reconstruction, rehabilitation, self-planning, Lower Austria, the small building site to 500,000 .- Euro.

(842) 1997 – 1998 Self-employed as an office for CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure 1998 Self-employment; Sachseneder Krems, CAD data collection of the project inventory data Ringstrasse 10, 3rd Floor, new construction, reconstruction, rehabilitation, self-planning, Lower Austria, the small building site to 500,000 .- Euro.

(843) 1997 - 1998 Self-employed as an office for CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure, Sachseneder Krems, CAD data collection project garden furniture exhibition in Krems, new construction, remodelling , renovation, capital planning, Lower Austria, the small building site to 500,000 .- Euro.

(844) 1997 - 1998 Self-employed as an office for CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Schlosshotel Thiery, CAD data collection project reconstruction of the object Dürnstein 37, new construction , remodelling, renovation, capital planning, Lower Austria, the small building site to 500,000 .- Euros, Federal monument office

(845) 1997 - 1998 Self-employed as an office for CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Amon Paudorf, CAD data collection of the project tool shed in Paudorf, new construction, remodelling , renovation, capital planning, Lower Austria, the small building site to 500,000 .- Euro.

(846) 1997 - 1998 Self-employed as an office for CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and pressure water, Singer Krems, CAD data collection project agricultural equipment shed in Rohrdorf remodelling, renovation, capital planning, Lower Austria, the small building site to 500,000 .- Euro.

(847) 1997 - 1998 Self-employed as an office for CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure, Hoch Krems, CAD data collection project gas heating in Langenlois, new construction, remodelling , renovation, capital planning, Lower Austria, the small building site to 500,000 .- Euro.

(848) 1997 - 1998 Self-employed as an office for CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Siebenhofer Krems, CAD data collection project multifamily residence Krems, new construction, remodelling rehabilitation, self-planning, Lower Austria, the small building site to 500,000 .- Euro.

(849) 1997 - 1998 Self-employed as an office for CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and pressure water, Nestler Krems, CAD data collection of the project tender new Sport hall Krems, remodelling, renovation, capital planning, Lower Austria, the city of Krems, major construction projects over 500,000 .- Euro.

(850) 1997 - 1998 Self-employed as an office for CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Weichselbaumer Krems, CAD data collection project out plans of the residential building in Krems, new construction , remodelling, renovation, capital planning, Lower Austria, the small building site to 500,000 .- Euro.

(851) 1997 - 1998 Self-employed as an office for CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Liedermann Krems, CAD data collection of the project permit application, agricultural equipment shed in Rohrdorf, new -, remodelling, renovation, capital planning, Lower Austria, the small building site to 500,000 .- Euro.

(852) 1997 - 1998 Self-employed as an office for CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Ostermann Egelsee, CAD data collection project accounting data Dr. Svehla Krems, new construction , remodelling, renovation, capital planning, Lower Austria, the small building site to 500,000 .- Euro.

(853) 1997 - 1998 Self-employed as an office for CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Ostermann Egelsee, CAD data collection project accounting data Ing Koziga Krems, new own planning, Lower Austria, the small building site to 500,000 .- Euro.

(854) 1997 - 1998 Self-employed as an office for CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and pressure water, Maier Amstall, CAD data collection project Heating reconstruction of the object

Trandorf, remodelling, renovation, capital planning, Lower Austria, the small building site to 500,000 .- Euro.

(855) 1997 - 1998 Self-employed as an office for CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure, Amon - Blaim Aggsbach market, CAD data collection project for submission two-family house Aggsbach with retaining wall , new construction, remodelling, renovation, capital planning, Lower Austria, the small building site to 500,000 .- Euro..

(856) 1997 - 1998 Self-employed as an office for CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure, flat roofs Spanny Furth, CAD data collection project Wolfsberg, billing insulation, insulation, and screeds, new construction, remodelling, renovation, capital planning, Lower Austria, the small building site to 500,000 .- Euro.

(857) 1997 - 1998 Self-employed as an office for CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure, Dr. Heinzl - Schiel, CAD data collection of the project inventory data and preliminary design of the house Krems, new construction, remodelling, renovation, capital planning, Lower Austria, the small building site to 500,000 .- Euro.

(858) 1997 - 1998 Self-employed as an office for CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Weigl Ötzbach, CAD data collection project remodelling the farmhouse in Ötzbach, new construction , remodelling, renovation, capital planning, Lower Austria, the small building site to 500,000 .- Euro.

(859) 1997 - 1998 Self-employed as an office for CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure, in Kerbler Maria Laach CAD data collection project reconstruction of the farmhouse and the tool shed Maria Laach, new construction, remodelling, renovation, capital planning, Lower Austria, the small building site to 500,000 .- Euro.

(860) 1997 - 1998 Self-employed as an office for CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure;, Vesely Krems, CAD data collection of the project specifications, submission and polishing planning Krems New construction, reconstruction, rehabilitation, self-planning, Lower Austria, the small building site to 500,000 .- Euro.

(861) 1997 - 1998 Self-employed as an office for CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Wilhelm Krems, CAD data collection project reconstruction of the 1st Floor, new construction, reconstruction, rehabilitation, self-planning, Lower Austria, the small building site to 500,000 .- Euro.

(862) 1997 - 1998 Self-employed as an office for CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure, from 1997 to 1998 appraisals, bankruptcy Kainz, new construction, reconstruction, rehabilitation, self-planning , Lower Austria, Styria, Upper Austria and the federal government, major construction projects over 500,000 .- Euro.

B) 1991 - 1998 Major planning projects

(863) 1991 - 1998 Employee company supervisor Steiner Spitz Donau - construction management and settlement construction Dürnstein Abbey - refurbishment, exterior facades, inventory, surveys, self-planning architect cooperation, Lower Austria, the major construction projects over 500,000 .- Euros, Federal monument office

(864) 1991 - 1998 Employee company supervisor Steiner Spitz Donau - construction management and settlement construction rebuilding parsonage Loiben, facade renovation, inventory, planning permission, surveys, self-planning architect cooperation, Lower Austria, the small building site to 500,000 .- Euros, Federal monument office

(865) 1991 - 1998 Employee company supervisor Steiner Spitz Donau - construction management and project accounting rebuilding parsonage Dürnstein, grounds and gardens, inventory, surveys, small building site to 500,000 .- Euros, Federal monument office

(866) 1991 - 1998 Employee company supervisor Steiner Spitz Donau - construction management and project accounting rebuilding community yard Dürnstein, inventory, surveys, self-planning in cooperation builder, Lower Austria, the small building site to 500,000 .- Euros, Federal monument office

(867) 1991 - 1998 Employee company supervisor Steiner Spitz Donau - construction management and project accounting remediation Fürtlerturm Dürnsten, foreign planning, Lower Austria, the small building site to 500,000 .- Euros, Federal monument office

(868) 1991 - 1998 Employee company supervisor Steiner Spitz Donau - construction management and project accounting restoration of the Crypt Dürnstein, inventory, surveys, foreign planning, Lower Austria, the major construction projects over 500,000 .- Euros, Federal monument office

against moisture and water pressure, Wilhelm - Goll - Krems, construction management, submission and polishing schedule 1, Floor, new construction, reconstruction, rehabilitation, self-planning, Lower Austria, the small building site to 500,000 .- Euro.

(955) 2001 - 2002 Self-employed as an office for SV. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure, low energy house Dumitru Banut - Steinaweg, technical sales consulting, preliminary design, construction documents, submission and polishing planning, detailed design and tender , copies of the contract and contract negotiations under OIB, BVG and LVG, investigation under NÖ - law, new construction, remodelling, renovation, capital planning, major construction projects over 500,000 .- Euro.

(956) 2001 - 2002 Self-employed as an office for SV. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Kloster Und - Krems, construction documentation, polishing and detailed planning, redevelopment Kloster Und, new construction, reconstruction, rehabilitation, self-planning , Lower Austria, the small building site to 500,000 .- Euros, Federal monument office

(957) 2001 - 2002 Self-employed as an office for SV. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure, Wilhelm - Goll - Krems, construction management, submission and polishing Planning 2, Floor, new construction, reconstruction, rehabilitation, self-planning, Lower Austria, the small building site to 500,000 .- Euro.

(958) 2001 - 2002 Self-employed as an office for SV. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Kloster Und - Krems, construction documentation, construction supervision and evaluation, remediation, new construction, remodelling, renovation, capital planning, Lower Austria, the small building site to 500,000 .- Euros, Federal monument office

(959) 2001 - 2002 Self-employed as an office for SV. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Kellerwelt - Langenlois, technically commercial advice, preliminary submission and polishing planning, detailed design and specifications, contract copies and contract negotiations, construction documents , site of OIB, BVG and LVG, investigation under NÖ - law, construction, reconstruction, rehabilitation, self-planning in cooperation with architects, structural engineers and professionals, Lower Austria, the major construction projects over 500,000 .- Euro.

(960) 2001 - 2002 Self-employed as an office for SV. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Salomon - stone polishing and detailed design, construction documentation, construction, reconstruction, rehabilitation, new construction, remodelling, renovation , self-planning, major construction projects over 500,000 .- Euro.

(961) 2001 - 2002 Self-employed as an office for SV. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure, low energy house Salomon - stone, construction management, evaluation, accounting controlling, construction documentation, construction, reconstruction, rehabilitation, new construction, remodelling , renovation, capital planning, major construction projects over 500,000 .- Euro.

(962) 2001 - 2002 Self-employed as an office for SV. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure, low energy house Dumitru Banut - Steinaweg, technical sales consulting, general services - contractors, detailed design and specifications, contract copies and contract negotiations under OIB, BVG and LVG, investigation under NÖ - law, construction, capital planning, major construction projects over 500,000 .- Euro.

(963) 2001 - 2002 Self-employed as an office for SV. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure, remodelling ITM Semmering - Semmering, technical sales consulting, preliminary submission and polishing planning, detailed design and specifications, contract copies and contract negotiations , construction documentation, construction supervision of OIB, BVG and LVG, investigation under NÖ - law, construction, reconstruction, rehabilitation, self-planning in cooperation with architects, structural engineers and professionals, Lower Austria, the major construction projects over 500,000 .- Euro.

(964) 2001 - 2002 Self-employed as an office for SV. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Mag Lanzrath - stone, technically commercial advice, draft, according to OIB, BVG and LVG, investigation under NÖ - law, construction -, reconstruction, rehabilitation, self-planning in cooperation with architects, structural engineers and professionals, Lower Austria, the small building site to 500,000 .- Euro.

2002 – 2003

(965) 2002 - 2003 Self-employed as an office for SV. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure, low energy house Salomon - stone, construction management, evaluation, accounting controlling, construction documentation, construction, reconstruction, rehabilitation, new construction, remodelling, renovation, capital planning, major construction projects over 500,000 .- Euro.

(966) 2002 - 2003 Self-employed as an office for SV. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Kellerwelt – Langenlois, technically commercial advice, preliminary submission and polishing planning, detailed design and specifications, contract copies and contract negotiations, construction documents , site of OIB, BVG and LVG, investigation under NÖ - law, construction, reconstruction, rehabilitation, self-planning in cooperation with architects, structural engineers and professionals, Lower Austria, the major construction projects over 500,000 .- Euro.

(967) 2002 - 2003 Self-employed as an office for SV. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure, remodelling ITM Semmering - Semmering, technical sales consulting, preliminary submission and polishing planning, detailed design and specifications, contract copies and contract negotiations , construction documentation, construction supervision of OIB, BVG and LVG, investigation under NÖ - law, construction, reconstruction, rehabilitation, self-planning in cooperation with architects, structural engineers and professionals, Lower Austria, the major construction projects over 500,000 .- Euro.

(968) 2002 - 2003 Self-employed as an office for SV. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure, low energy house Dumitru Banut - Steinaweg, technical sales consulting, general services - contractors, construction management, evaluation, according to OIB, BVG and LVG, investigation under NÖ - law, construction, capital planning, major construction projects over 500,000 .- Euro.

(969) 2002 - 2003 Self-employed as an office for SV. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Hagmann - Vienna, technical sales consulting, preliminary, according to OIB, BVG and LVG, investigation under NÖ - law, new construction, reconstruction, rehabilitation, self-planning in cooperation with architects, structural engineers and professionals, small building site to 500,000 .- Euro.

(970) 2002 - 2003 Self-employed as an office for SV. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Wedl - Furth, planning permission, according to OIB, BVG and LVG, investigation under NÖ - law, construction, reconstruction, rehabilitation, own planning, Lower Austria, the small building site to 500,000 .- Euro.

(971) 2002 - 2003 Self-employed as an office for SV. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Munk - St. Pölten, inventory tram depot St. Pölten, property estimation, according OIB, BVG and LVG, investigation under NÖ - law, self-planning, major construction projects over 500,000 .- Euros, Federal monument office

(972) 2002 - 2003 Self-employed as an office for SV. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; from Rauscher - Wösendorf, remodelling of the hall roof of OIB, BVG and LVG, investigation under NÖ - law, new construction, remodelling , renovation, capital planning, Lower Austria, the small building site to 500,000 .- Euros, Federal monument office

(973) 2002 - 2003 Self-employed as an office for SV. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Universale Bau St. Pölten - Preliminary 3D, real estate and cost estimate, according to OIB, BVG and LVG, investigation under NÖ - law, St., building, capital planning in cooperation with Universal Construction Pölten, Lower Austria, the major construction projects over 500,000 .- Euro.

2003 – 2004

(974) 2003 - 2004 Self-employed as an office for SV. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure, remodelling ITM Semmering - Semmering, technical sales consulting, preliminary submission and polishing planning, detailed design and specifications, contract copies and contract negotiations , construction documentation, construction supervision of OIB, BVG and LVG, investigation under NÖ - law, construction, reconstruction, rehabilitation, self-planning in cooperation with architects, structural engineers and professionals, Lower Austria, the major construction projects over 500,000 .- Euro.

(975) 2003 - 2004 Self-employed as an office for SV. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation

against moisture and water pressure; Kellerwelt - Langenlois, technically commercial advice, preliminary submission and polishing planning, detailed design and specifications, contract copies and contract negotiations, construction documents , site of OIB, BVG and LVG, investigation under NÖ - law, new construction, remodelling, renovation, own planning in cooperation with architects, structural engineers and professionals, Lower Austria, the major construction projects over 500,000 .- Euro.

(976) 2003 - 2004 Self-employed as an office for SV. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; from Rauscher - Wösendorf, remodelling of the hall roof of OIB, BVG and LVG, investigation under NÖ - law, new construction, remodelling , renovation, capital planning, Lower Austria, the small building site to 500,000 .- Euros, Federal monument office

(977) 2002 - 2003 Self-employed as an office for SV. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Universale Bau St. Pölten - car garage, office building and repair facility Gänserndorf, real estate and cost estimate, according to OIB, LPP and LVG, investigation under NÖ - law, construction, capital planning in cooperation with Universal Construction St. Pölten, Lower Austria, the small building site to 500,000 .- Euro.

(978) 2003 - 2004 Self-employed as an office for SV. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure, low energy house Dumitru Banut - Steinaweg, handover § 30 and findings, pursuant, NÖBO OIB, BVG and LVG, review according Tues, construction, capital planning, major construction projects over 500,000 .- Euro.

(979) 2003 - 2004 Self-employed as an office for SV. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Berinde Maria - Imbach, inventory, new construction, remodelling, renovation, submission and site reconstruction and renovation house according NÖBO, OIB, BVG and LVG, investigation under Tues, equity planning, Lower Austria, the small building site to 500,000 .- Euro.

(980) 2003 - 2004 Self-employed as an office for SV. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Kellerwelt - Langenlois, professionals, technical sales consulting, preliminary submission and polishing planning, detailed design and specifications, contract copies and contract negotiations , construction documentation, construction supervision of OIB, BVG and LVG, investigation under Tues, construction, reconstruction, rehabilitation, self-

planning in cooperation with architects, structural engineers and professionals, Lower Austria, the major construction projects over 500,000 .- Euro.

(981) 2002 - 2003 Self-employed as an office for SV. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Universale Bau St. Pölten - FMZ Mistelbach, real estate and cost estimates, specifications referred OIB, BVG and LVG, investigation under Tues, construction, capital planning in cooperation with Universal Construction St. Pölten, Lower Austria, the major construction projects over 500,000 .- Euro.

(982) 2003 - 2004 Self-employed as an office for SV. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Fischergasse - Krems, residential complex and 18 WEH builder and professional, technical sales consulting, preliminary submission and polishing planning, detailed planning specifications, contract copies and contract negotiations, construction documentation, construction supervision of OIB, BVG and LVG, investigation under professionals, construction, reconstruction, rehabilitation, self-planning in cooperation with architects, structural engineers and professionals, Lower Austria, the major construction projects over 500,000 .- Euros, Federal monument office

(983) 2003 - 2004 Self-employed as an office for SV. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Pfaffinger - Dürnstein, inventory, handover § 30 and findings, according NÖBO, OIB, BVG and LVG, investigation under professionals, new construction, remodelling, renovation, capital planning, Lower Austria, the small building site to 500,000 .- Euro.

(984) 2003 - 2004 Self-employed as an office for SV. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Steininger Kellerwelt - Langenlois, builder and professionals, technical sales consulting, preliminary submission and polishing planning, detailed design and specification, contract copies and contract negotiations, construction documentation, construction supervision of OIB, BVG and LVG, investigation under professionals, construction, reconstruction, rehabilitation, self-planning in cooperation with architects, structural engineers and professionals, Lower Austria, the major construction projects over 500,000 .- Euro.

(985) 2003 - 2004 Self-employed as an office for SV. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Eggenburg multi family home 50 WEH - Eggenburg, inventory, builder and professionals, technical sales consulting, preliminary submission and polishing

planning, according to OIB, BVG and LVG, investigation under professionals, construction, reconstruction, rehabilitation, self-planning in cooperation with architects, structural engineers and professionals, Lower Austria, the city of Vienna, major construction projects over 500,000 .- Euro.

(986) 2003 - 2004 Self-employed as an office for SV. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure, Dr. Grohmann - Krems, water damage, terraces and insulation under OIB, BVG and LVG, verification according, new -, reconstruction, rehabilitation, self-planning in cooperation with architects, structural engineers and professionals, small building site to 500,000 .- Euro.

(987) 2003 - 2004 Self-employed as an office for SV. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Markersdorf multi family home 24 WEH - Markersdorf, technically commercial advice, preliminary submission and polishing planning, according to OIB, BVG and LVG , investigation under NÖ - law, construction, capital planning in cooperation with architects, structural engineers and professionals, Lower Austria, the major construction projects over 500,000 .- Euro.

(988) 2003 - 2004 Self-employed as an office for SV. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Obergrafendorf multi family home 36 WEH - Obergrafendorf, technically commercial advice, preliminary submission and polishing planning, according to OIB, BVG and LVG , investigation under NÖ - law, construction, capital planning in cooperation with architects, structural engineers and professionals, Lower Austria, the major construction projects over 500,000 .- Euro.

(989) 2003 - 2004 Self-employed as an office for SV. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Steiner Landstrasse multi family home 16 WEH - stone, technically commercial advice, preliminary submission and polishing planning, according to OIB, LPP and LVG, investigation under NÖ - law, construction, reconstruction, rehabilitation, self-planning in cooperation with architects, structural engineers and professionals, Lower Austria, the major construction projects over 500,000 .- Euro.

(990) 2003 - 2004 Self-employed as an office for SV. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Munk - Ochsenburg, inventory, property estimation, according

OIB, BVG and LVG, investigation under NÖ - law, own planning, major construction projects over 500,000 .- Euro, Federal monument office

(991) 2003 - 2004 Self-employed as an office for SV. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Fischergasse - Krems, multi family home 18 WEH surrender negotiations decreases § 30 according NÖBO, OIB, BVG and LVG, investigation under NÖ - law, New construction, reconstruction, rehabilitation, self-planning in cooperation with architects, structural engineers and professionals, Lower Austria, the major construction projects over 500,000 .- Euros, Federal monument office

(992) 2003 - 2004 Self-employed as an office for SV. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Steiner Landstrasse multi family home 16 WEH - stone, transfer negotiations decreases § 30 according NÖBO, OIB, BVG and LVG, investigation under NÖ - law, new construction, reconstruction, rehabilitation, self-planning in cooperation with architects, structural engineers and professionals, Lower Austria, the major construction projects over 500,000 .- Euros, Federal monument office

(993) 2003 - 2004 Self-employed as an office for SV. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Munk - Imbach, inventory, property estimation, according to OIB, BVG and LVG, investigation under NÖ - law, equity planning, major construction projects over 500,000 .- Euro.

(994) 2003 - 2004 Self-employed as an office for SV. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Steiner Landstrasse multifamily home WEH 16 - Stone, documentation and complaints, controlling, quality assurance, acceptance pursuant to § 30 NÖBO, OIB, BVG and LVG, investigation, construction, reconstruction, rehabilitation, self-planning in cooperation with architects, structural engineers and professionals, Lower Austria, the major construction projects over 500,000 .- Euros, Federal monument office

(995) 2003 - 2004 Self-employed as an office for SV. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure, Innsbruck - HBLA, planning competition gem. OIB, BVG and LVG, investigation, new construction, remodelling, renovation, capital planning, Tyrol, the federal government, major construction projects over 500,000 .- Euros, Federal monument office

(996) 2003 - 2004 Self-employed as an office for SV. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Fischergasse - Krems, House 18 WEH documentation and complaints, controlling, quality assurance, acceptance pursuant to § 30 NÖBO, OIB , BVG and LVG, investigation under NÖ - law, construction, reconstruction, rehabilitation, self-planning in cooperation with architects, structural engineers and professionals, Lower Austria, the major construction projects over 500,000 .- Euros, Federal monument office

(997) 2003 - 2004 Self-employed as an office for SV. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Salomon - stone, cost estimate and preliminary ordination Undstraße A 7-3500 stone, construction, reconstruction, rehabilitation, self-planning, Large construction projects over 500,000 .- Euro.

(998) 2003 - 2004 Self-employed as an office for SV. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Salomon - stone, cost estimate and preliminary apartments 5WEH Undstraße 7 A - 3500 stone, construction, reconstruction, rehabilitation, self-planning , major construction projects over 500,000 .- Euro.

2004 - 2005

(999) 2004 - 2005 Self-employed as an office for SV. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Universale Bau St. Pölten - WHA Purkersdorf assisted living 120 WEH tender, cost estimates, specifications referred OIB, BVG and LVG, investigation under NÖ - law, construction, capital planning in cooperation with Universal Construction St. Pölten, Lower Austria, the city of Vienna, major construction projects over 500,000 .- Euro.

(1000) 2004 - 2005 Self-employed as an office for SV. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Universale Bau St. Pölten - Tender professionals under Mirimigründe St. Pölten construction of the Social Security Administration, rebuilding the NÖGK, cost estimates, specifications OIB, BVG and LVG, investigation under NÖ - law, construction, capital planning in cooperation with Universal Construction St. Pölten, Lower Austria, the federal government, major construction projects over 500,000 .- Euro.

(1001) 2004 - 2005 Self-employed as an office for SV. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Universale Bau St. Pölten - WHA Purkersdorf assisted living 120 WEH detailed plans of OIB, BVG and LVG, investigation under NÖ - law, own planning in cooperation with Universal Construction Pölten, Lower Austria, the city of Vienna, major construction projects over 500,000 .- Euro.

(1002) 2004 - 2005 Self-employed as an office for SV. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure, Fischer - Paudorf, submission plans according OIB, BVG and

LVG, investigation under NÖ - law, construction, capital planning, Lower Austria, the small building site to 500,000 .- Euro.

(1003) 2004 - 2005 Self-employed as an office for SV. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Ehgartner - Paudorf, submission plans according OIB, BVG and LVG, investigation under NÖ - law, construction, capital planning, Lower Austria, the small building site to 500,000 .- Euro.

(1004) 2004 - 2005 Self-employed as an office for SV. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Fa Menhart - Furth, Commercial Legal operating license of the electrical installation company, and the gas station according NÖBO, commercial and labor law, OIB, BVG and LVG, investigation under NÖ - law, construction, capital planning, Lower Austria, the major construction projects over 500,000 .- Euro.

Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Fischergasse - Krems, 18 WEH documentation, quality assurance, NÖBO, OIB, BVG and LVG, investigation under NÖ - law, construction, reconstruction, rehabilitation, self-planning in cooperation with architects, structural engineers and professionals, Lower Austria, the major construction projects over 500,000 .- Euros, Federal monument office

(1006) 2004 - 2005 Self-employed as an office for SV. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; community Kapelln - Kapelln, the Municipal Office Kapelln reconstruction including surgery and pharmacy, general renovation and elevator installation, construction management, accounting, controlling , quality assurance, acceptance pursuant to § 30 NÖBO, documentation, NÖBO, OIB, BVG and LVG, investigation under NÖ - law, construction, reconstruction, rehabilitation, self-planning in cooperation with architects, structural engineers and professionals, Lower Austria, the major construction projects over 500,000 .- Euro

2005 - 2006

(1007) 2005 - 2006 Self-employed as an office for SV.m.Dipl. (bwa) BM.Ing.. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Fischergasse - Krems, House 18 WEH documentation, quality assurance, NÖBO, OIB, BVG and LVG, investigation under NÖ - law, construction, reconstruction, rehabilitation, self-planning in cooperation with architects, structural engineers and professionals, Lower Austria, the major construction projects over 500,000 .- Euros, Federal monument office

(1008) 2005 - 2006 Self-employed as an office for SV. m.Dipl. (bwa) BM.Ing. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; community Kapelln - Kapelln, the Municipal Office Kapelln reconstruction including surgery and pharmacy, general renovation and elevator installation, construction management, accounting, controlling , quality assurance, acceptance pursuant to § 30 NÖBO, documentation, NÖBO, OIB, BVG and LVG, investigation under NÖ - law, construction, reconstruction, rehabilitation, self-planning in cooperation with architects, structural engineers and professionals, Lower Austria, the major construction projects over 500,000 .- Euro

(1009) 2005 - 2006 Self-employed as an office for SV. m.Dipl. (bwa) BM.Ing. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; multi family home Getzersdorf - Getzersdorf, preliminary drafts, WHA Getzersdorf 16 WEH according NÖBO, OIB, BVG and LVG, investigation under NÖ - law, new, self-planning in cooperation with architects, structural engineers and professionals, Lower Austria, the major construction projects over 500,000 .- Euro.

(1010) 2005 - 2006 Self-employed as an office for SV. m.Dipl. (bwa) BM.Ing. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure, Mayr W. - Krems, 6 WEH construction management, survey and settlement, documentation, quality assurance, NÖBO, OIB, BVG and LVG, investigation under NÖ - law, construction, reconstruction, rehabilitation, self-planning in cooperation builder, Lower Austria, the small building site to 500,000 .- Euro.

(1011) 2005 - 2006 Self-employed as an office for SV. m.Dipl. (bwa) BM.Ing. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Mayr F. - Krems, 8 WEH construction management, survey and settlement, documentation, quality assurance, NÖBO, OIB, BVG and LVG, investigation under NÖ - law, construction, reconstruction, rehabilitation, self-planning in cooperation builder, Lower Austria, the small building site to 500,000 .- Euro.

(1012) 2005 - 2006 Self-employed as an office for SV. m.Dipl. (bwa) BM.Ing. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Edlinger - Ybbs, preliminary 3D guest house with 6 guest rooms and deep cellar under NÖBO, OIB, BVG and LVG, investigation under NÖ - law, new construction, reconstruction, rehabilitation, self-planning in cooperation builder, Lower Austria, the major construction projects over 500,000 .- Euro.

(1013) 2005 - 2006 Self-employed as an office for SV. m.Dipl. (bwa) BM.Ing. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Einwögerer - Litzendorf, survey and settlement, documentation, quality assurance, NÖBO, OIB, BVG and LVG, investigation under NÖ - law, new construction, builder cooperation, Lower Austria, the small building site to 500,000 .- Euro.

(1014) 2005 - 2006 Self-employed as an office for SV. m.Dipl. (bwa) BM.Ing. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Steindl - Melk, facade renovation, construction management, survey and settlement, documentation, quality assurance, NÖBO, OIB, BVG and LVG, investigation under NÖ - law, rehabilitation, in cooperation builder, Lower Austria, the small building site to 500,000 .- Euro.

(1015) 2005 - 2006 Self-employed as an office for SV. m.Dipl. (bwa) BM.Ing. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure, Dr. Kern - Hürm, garage construction, construction management - builders, survey and settlement, documentation, quality assurance, NÖBO, OIB, BVG and LVG, investigation under NÖ - law, new construction, remodelling, renovation builders in cooperation, Lower Austria, the small building site to 500,000 .- Euro.

(1016) 2005 - 2006 Self-employed as an office for SV. m.Dipl. (bwa) BM.Ing. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure, Old School Melk - Melk, documentation, quality assurance, NÖBO, OIB, BVG and LVG, investigation under NÖ - law, construction -, remodelling, renovation builders in cooperation, Lower Austria, the federal government, the small building site to 500,000 .- Euro.

(1017) 2005 - 2006 Self-employed as an office for SV. m.Dipl. (bwa) BM.Ing. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure, Hahn - Emmersdorf, inventory, preliminary detached annex according NÖBO, OIB, BVG and LVG, investigation under NÖ - law, new construction, reconstruction, rehabilitation, self-planning in cooperation builder, Lower Austria, the small building site to 500,000 .- Euro.

(1018) 2005 - 2006 Self-employed as an office for SV. m.Dipl. (bwa) BM.Ing. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Gundinger - Mold,

reconstruction of the 500 cattle stables and manure pits NÖBO, OIB, BVG and LVG, investigation under NÖ - law, , new construction, remodelling, renovation builders in cooperation, Lower Austria, the major construction projects over 500,000 .- Euro.

(1019) 2005 - 2006 Self-employed as an office for SV. m.Dipl. (bwa) BM.Ing. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Huber - Nappersdorf, reconstruction of 500 pigs stables and manure pits NÖBO, OIB, BVG and LVG, investigation under NÖ - law, , new construction, remodelling, renovation builders in cooperation, Lower Austria, the major construction projects over 500,000 .- Euro.

(1020) 2005 - 2006 Self-employed as an office for SV. m.Dipl. (bwa) BM.Ing. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Scheiblingkirchen, nursing home planning competition Scheiblingkirchen accordance with ward. OIB, BVG and LVG, investigation under NÖ - law, new construction, remodelling, renovation, capital planning, Lower Austria, the major construction projects over 500,000 .- Euro.

2006 - 2007

(1021) 2006 - 2007 Self-employed as an office for SV. m.Dipl. (bwa) BM.Ing. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Mayr F. - Krems, 8 WEH construction management, survey and final accounts, documentation, quality assurance, NÖBO, OIB, BVG and LVG, investigation under NÖ - law, construction, reconstruction, rehabilitation, self-planning in cooperation builder, Lower Austria, the small building site to 500,000 .- Euro.

(1022) 2006 - 2007 Self-employed as an office for SV. m.Dipl. (bwa) BM.Ing. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure, Mayr W. - Krems, H 6 WEH construction management, survey and final accounts, documentation, quality assurance, NÖBO, OIB, BVG and LVG, investigation under NÖ - law, construction, reconstruction, rehabilitation, self-planning in cooperation builder, Lower Austria, the small building site to 500,000 .- Euro.

(1023) 2006 - 2007 Self-employed as an office for SV. m.Dipl. (bwa) BM.Ing. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure, remodelling hotel Richard Lionheart - Dürnstein, refurbishment facades and wing East, roof removal allowance, payroll, documentation, quality assurance, NÖBO, OIB, BVG and LVG, investigation under NÖ - law, construction, reconstruction, rehabilitation, self-planning in cooperation with architects, structural engineers and professionals in cooperation builder, Lower Austria, the major construction projects over 500,000 .- Euro.

(1024) 2006 - 2007 Self-employed as an office for SV. m.Dipl. (bwa) BM.Ing. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Schendl - Dürnstein, facade renovation garden, accounting, documentation, quality assurance, NÖBO, OIB, BVG and LVG, investigation under NÖ - law, new construction, reconstruction, rehabilitation, self-planning in cooperation with architects, structural engineers and professionals in cooperation builders, small building site to 500,000 .- Euro.

(1025) 2006 - 2007 Self-employed as an office for SV. m.Dipl. (bwa) BM.Ing. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Maisser - Willendorf, for submission tool shed under NÖBO, OIB, BVG and LVG, investigation under NÖ - law, new construction, remodelling, rehabilitation, self-planning, Lower Austria, the small building site to 500,000 .- Euro.

(1026) 2006 - 2007 Self-employed as an office for SV. m.Dipl. (bwa) BM.Ing. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Schwammer - Furth, for submission car carport under NÖBO, OIB, BVG and LVG, investigation under NÖ - law, new construction, remodelling , renovation, capital planning, Lower Austria, the small building site to 500,000 .- Euro.

(1027) 2006 - 2007 Self-employed as an office for SV. m.Dipl. (bwa) BM.Ing. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure, remodelling hotel Richard Lionheart - Dürnstein, refurbishment facades and wing East, roof removal allowance, final invoice, documentation, quality assurance, NÖBO, OIB, BVG and LVG, investigation under NÖ - law, construction, reconstruction, rehabilitation, self-planning in cooperation with architects, structural engineers and professionals in cooperation, Lower Austria, the major construction projects over 500,000 .- Euros, Federal monument office

(1028) 2006 - 2007 Self-employed as an office for SV. m.Dipl. (bwa) BM.Ing. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Wolf - Spitz, new single-family allowance, final invoice, NÖBO, OIB, BVG and LVG, investigation under NÖ - law, construction -, reconstruction, rehabilitation, self-planning in cooperation builder, Lower Austria, the small building site to 500,000 .- Euro.

(1029) 2006 - 2007 Self-employed as an office for SV. m.Dipl. (bwa) BM.Ing. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Steinbacher - Ebner - Scheutz 4, § 30 NÖBO, OIB, BVG and LVG, investigation under NÖ - law, new construction, remodelling, renovation, capital planning, Lower Austria, the small building site to 500,000 .- Euro.

(1030) 2006 - 2007 Self-employed as an office for SV. m.Dipl. (bwa) BM.Ing. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure, Dr. Neubert - Krems, § 30 NÖBO, OIB, BVG and LVG, investigation under NÖ - law, New construction, reconstruction, rehabilitation, self-planning, Lower Austria, the small building site to 500,000 .- Euro.

(1031) 2006 - 2007 Self-employed as an office for SV. m.Dipl. (bwa) BM.Ing. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure, Dr. Neubert - Krems, inventory residence Krems, 4 apartments, attic and basement. NÖBO, OIB, BVG and LVG, investigation under NÖ - law, new construction, remodelling, renovation, capital planning, Lower Austria, the small building site to 500,000 .- Euro.

(1032) 2006 - 2007 Self-employed as an office for SV. m.Dipl. (bwa) BM.Ing. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Fa Zwettler - St. Pölten, CAD as-built drawings, survey plans, survey, final account of the construction project Morentgasse gem. NÖBO, OIB, BVG and LVG, investigation under NÖ - law, construction, reconstruction, rehabilitation, self-planning in corporate cooperation, Lower Austria, the small building site to 500,000 .- Euro.

(1033) 2006 - 2007 Self-employed as an office for SV. m.Dipl. (bwa) BM.Ing. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure, New York, Planning Competition Cover Structure station area Manhattan West new construction, remodelling, renovation, capital planning, New York City, major construction projects over 500,000 .- Euro

(1034) 2006 - 2007 Self-employed as an office for SV. m.Dipl. (bwa) BM.Ing. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Fa Zwettler - St. Pölten, CAD as-built drawings, survey plans, survey, final account of the construction project Lux gem housing.

NÖBO, OIB, BVG and LVG, investigation under NÖ - law, construction, reconstruction, rehabilitation, self-planning in corporate cooperation, Lower Austria, the small building site to 500,000 .- Euro.

(1035) 2006 - 2007 Self-employed as an office for SV. m.Dipl. (bwa) BM.Ing. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; design remodelling an existing guest house with B & B in a residential complex with 18 WEH, new construction, remodelling, renovation, capital planning, urban New York, major construction projects over 500,000 .- Euro.

(1036) 2006 - 2007 Self-employed as an office for SV. m.Dipl. (bwa) BM.Ing. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Fa Zwettler - St. Pölten, CAD as-built drawings, survey plans, survey, final account of the construction project Eschenbachgasse gem. NÖBO, OIB, BVG and LVG, investigation under NÖ - law, construction, reconstruction, rehabilitation, self-planning in corporate cooperation, Lower Austria, the small building site to 500,000 .- Euro.

(1037) 2006 - 2007 Self-employed as an office for SV. m.Dipl. (bwa) BM.Ing. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Fa Zwettler - St. Pölten, CAD as-built drawings, survey plans, survey, final account of the construction project Getzersdorf gem. NÖBO, OIB, BVG and LVG, investigation under NÖ - law, construction, reconstruction, rehabilitation, self-planning in corporate cooperation, Lower Austria, the small building site to 500,000 .- Euro.

2007 - 2008

(1038) 2007 - 2008 Self-employed as an office for SV. m.Dipl. (bwa) BM.Ing. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Steinbacher - Ebner - Scheutz 4, improving application § 30 NÖBO, OIB, BVG and LVG, investigation under NÖ - law, new construction, remodelling, renovation, capital planning, Lower Austria, the small building site to 500,000 .- Euro.

(1039) 2007 - 2008 Self-employed as an office for SV. m.Dipl. (bwa) BM.Ing. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; draft 50 WEH and construction of an office building on the former gymnasium reasons Krems ad Donau according NÖBO, OIB, BVG and LVG , investigation under NÖ - law, construction, reconstruction, rehabilitation, self-planning in cooperation builder, Lower Austria, the major construction projects over 500,000 .- Euro.

(1040) 2007 - 2008 Self-employed as an office for SV. m.Dipl. (bwa) BM.Ing. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure, Hahn - Emmersdorf changes, inventory, preliminary detached annex according NÖBO, OIB, BVG and LVG, investigation under NÖ - law, construction -, reconstruction, rehabilitation, self-planning in cooperation builder, Lower Austria, the small building site to 500,000 .- Euro.

(1041) 2007 - 2008 Self-employed as an office for SV. m.Dipl. (bwa) BM.Ing. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Turek - St. Pölten, tender WHA St. Pölten 16 WEH according NÖBO, OIB, BVG and LVG, investigation under NÖ - law, construction, reconstruction, rehabilitation, self-planning in cooperation builder, Lower Austria, the small building site to 500,000 .- Euros, Federal monument office

2008 - 2009

(1042) 2008 - 2009 Self-employed as an office for SV. m.Dipl. (bwa) BM.Ing. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Grafinger - Langenlois, object inspection, elevator installation and preliminary draft Disabled righteous house design, wheelchair accessible according to EN, OEN, NÖBO, OIB, BVG and LVG, investigation under NÖ - law, new construction, remodelling, renovation, capital planning, Lower Austria, the small building site to 500,000 .- Euro.

(1043) 2008 - 2009 Self-employed as an office for SV. m.Dipl. (bwa) BM.Ing. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Fa Zwettler - St. Pölten, CAD as-built drawings, survey plans, survey, final account of the construction project Ossarn gem. NÖBO, OIB, BVG and LVG, investigation under NÖ - law, new construction, remodelling, renovation, capital planning, Lower Austria, the small building site to 500,000 .- Euro.

(1044) 2008 - 2009 Self-employed as an office for SV. m.Dipl. (bwa) BM.Ing. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Fa Zwettler - St. Pölten, CAD as-built drawings, survey plans, survey, final account of the construction project Blauensteiner street gem. NÖBO, OIB, BVG and LVG, investigation under NÖ - law, new construction, remodelling, renovation, capital planning, Lower Austria, the small building site to 500,000 .- Euro.

(1045) 2008 - 2009 Self-employed as an office for SV. m.Dipl. (bwa) BM.Ing. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Fa Zwettler - St. Pölten, CAD as-built drawings, survey plans, survey, final account of the construction project Siedlergasse gem. NÖBO, OIB, BVG and LVG, investigation under NÖ - law, new construction, remodelling, renovation, capital planning, Lower Austria, the small building site to 500,000 .- Euro.

(1046) 2008 - 2009 Self-employed as an office for SV. m.Dipl. (bwa) BM.Ing. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Fa Zwettler - St. Pölten, CAD as-built drawings, survey plans, survey, final account of the construction workers alley gem. NÖBO, OIB, BVG and LVG, investigation under NÖ - law, new construction, remodeling, renovation, capital planning, Lower Austria, the small building site to 500,000 .- Euro.

(1047) 2008 - 2009 Self-employed as an office for SV. m.Dipl. (bwa) BM.Ing. According to St. Pölten, CAD as-built drawings, survey plans, survey, final account of the construction project Rosengasse - Fa Zwettler, builders, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure. NÖBO, OIB, BVG and LVG, investigation under NÖ - law, new construction, remodelling, renovation, capital planning, Lower Austria, the small building site to 500,000 .- Euro.

(1048) 2008 - 2009 Self-employed as an office for SV. m.Dipl. (bwa) BM.Ing. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure, Krems, CAD as-built drawings, survey plans, documentation film - Dr. Rössl NÖBO, OIB, BVG and LVG, investigation under NÖ - law, new construction, remodelling, renovation, capital planning, Lower Austria, the major construction projects over 500,000 .- Euros, Federal monument office

2010 - 2011

(1049) 2010 - 2011 Self-employed as an office for SV. m.Dipl. (bwa) BM.Ing. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; exhibition Berlin city senate "Parkland Berlin Tempelhof" 27.08.2010 to 12.09.2010

(1050) 2010 - 2011 Self-employed as an office for SV. m.Dipl. (bwa) BM.Ing. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Alpay Group TR preliminary "Mugla Marble World" Mugla TR

(1051) 2010 - 2011 Self-employed as an office for SV. m.Dipl. (bwa) BM.Ing. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Alpay Group Design "Assisted Living from 50" project Milas 2010 Tuzla - Bodrum; Flamingo National Park

(1052) 2010 - 2011 Self-employed as an office for SV. m.Dipl. (bwa) BM.Ing. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; External audit fire safety - construction projects assisted living Paudorf - NÖ Austria 2010/2011 general contractor Karl Seidl construction <http://samtecharchipics.jimdo.com/archipics-2011/>

(1053) 2010 - 2011 Self-employed as an office for SV. m.Dipl. (bwa) BM.Ing. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; Vine Residence Schlägl Lutzmannsburg Burgenland, inventory reports and resubmitted 2010/2011.

(1054) 2010 - 2011 Self-employed as an office for SV. m.Dipl. (bwa) BM.Ing. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; investment Legal and engineering technical building negotiations of the object and lift Mag Peter Lanzrath Krems - Stein, Home renovation and construction of 10 residential units

(1055) 2010 - 2011 Self-employed as an office for SV. m.Dipl. (bwa) BM.Ing. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure, construction management, construction management, appraisals and final inspections Mag Peter Lanzrath Krems - Stein, Home remodelling and new construction of 10 housing units

(1056) 2010 - 2011 Self-employed as an office for SV. m.Dipl. (bwa) BM.Ing. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure, draft-family passive house Sam - Sam

(1057) 2010 - 2011 Self-employed as an office for SV. m.Dipl. (bwa) BM.Ing. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure, single-family passive house design Homolatsch Rossatzbach

(1058) 2010 - 2011 Self-employed as an office for SV. m.Dipl. (bwa) BM.Ing. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure, moisture measurement and evaluation Schuster Paudorf

(1059) 2010 - 2011 Self-employed as an office for SV. m.Dipl. (bwa) BM.Ing. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure, moisture measurement and evaluation Youth Hostel Krems

(1060) 2010 - 2011 Self-employed as an office for SV. m.Dipl. (bwa) BM.Ing. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure, assessment and legal assessment acc. NÖBO, Civil Code, Code of Criminal Procedure and the moisture damage StPZ Geyer - Weinzierl

C) 2000 - 2008 Special Projects, expert activities

(1061) 2008 - 2009 Self-employed as an office for SV. m.Dipl. (bwa) BM.Ing. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; treatise on Romanesque and Gothic in Europe the example Klarissinnenchurch Dürnstein

(1062) 2008 - 2009 Self-employed as an office for SV. m.Dipl. (bwa) BM.Ing. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure; treatise on expert duties in the course of property evaluations, especially in the case in the bankruptcy

(1063) 2008 - 2009 Self-employed as an office for SV. m.Dipl. (bwa) BM.Ing. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure, Madonna art project, life and work

(1064) 2008 - 2009 Self-employed as an office for SV. m.Dipl. (bwa) BM.Ing. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure, art project "Milles port est est noir fenetre sait 1 lien"

(1065) 2008 - 2009 Self-employed as an office for SV. m.Dipl. (bwa) BM.Ing. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure, art project "Milles port est est noir fenetre sait 2 lien"

(1066) 2008 - 2009 Self-employed as an office for SV. m.Dipl. (bwa) BM.Ing. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure, art project "Milles port est est noir fenetre sait 3 lien"

(1067) 2008 - 2009 Self-employed as an office for SV. m.Dipl. (bwa) BM.Ing. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure, art project "Milles port est est noir fenetre sait 4 lien"

(1068) 2008 - 2009 Self-employed as an office for SV. m.Dipl. (bwa) BM.Ing. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure, medical treatise, "Hydrocele testis" scientifically, - technical development

(1069) 2008 - 2009 Self-employed as an office for SV. m.Dipl. (bwa) BM.Ing. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure, cooperative work, Microsoft - Boing, "airfield lightning technology insecurity cooperation, airfield examples by simulating in FS2004 and FSX, Los Angeles , New York, Istanbul, Sacramento, Sochi 2014 Olympics, Atlanta, Dubai", scientifically - technical development

(1070) 2008 - 2009 Self-employed as an office for SV. m.Dipl. (bwa) BM.Ing. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure, cooperative work, Microsoft - Boing, "FS 2004 and FSX flight simulator for Boeing and Microsoft, high speed civil aircraft, plane - and cockpit technition" scientifically - technical development

(1071) 2008 - 2009 Self-employed as an office for SV. m.Dipl. (bwa) BM.Ing. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure, cooperative work, Microsoft -

Boing, "FS 2004 and FSX flight simulator for Boeing and Microsoft, new GPS technition in flight technology" scientifically, - technical development

(1072) 2008 - 2009 Self-employed as an office for SV. m.Dipl. (bwa) BM.Ing. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure, cooperative work, Microsoft - Boing, "FS 2004 and FSX flight simulator for Boeing and Microsoft, high speed millitary aircraft, plane - and cockpit technition, 1) k4 MB339_A_PAN_Century_FS2 marines and 2) Boeing / BAE T-45C system Hawk U.S. Marines "scientifically, - technical development

(1073) 2008 - 2009 Self-employed as an office for SV. m.Dipl. (bwa) BM.Ing. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure, EDP - and data processing, the Federal Ministry of Finance and Economy, Gross computer program to collect the revenue - expenditure account in offices and factories

(1074) 2008 - 2009 Self-employed as an office for SV. m.Dipl. (bwa) BM.Ing. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure, BWA - Chair 2008, "European forensic"

(1075) 2008 - 2009 Self-employed as an office for SV. m.Dipl. (bwa) BM.Ing. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure, art project "Construction documentation Rössl - DVD"

(1076) 2008 - 2009 Self-employed as an office for SV. m.Dipl. (bwa) BM.Ing. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure, construction, program for determining the construction period, depending on the construction

(1077) 2008 - 2009 Self-employed as an office for SV. m.Dipl. (bwa) BM.Ing. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure, construction, program to determine the percentage distribution of total material and labor costs for the development of construction processes

(1078) 2008 - 2009 Self-employed as an office for SV. m.Dipl. (bwa) BM.Ing. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure, construction, management program to monitor the construction costs on development ÖN2063 data as in AVA + Omnis 7

(1079) 2008 - 2009 Self-employed as an office for SV. m.Dipl. (bwa) BM.Ing. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure, construction, "Eclipse de lune"

(1080) 2008 - 2009 Self-employed as an office for SV. m.Dipl. (bwa) BM.Ing. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure, construction, "Herberstein DVD 18.08.08"

(1081) 2008 - 2009 Self-employed as an office for SV. m.Dipl. (bwa) BM.Ing. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure, construction, Preliminary Med Comm Center Krems 2008

(1082) 2008 - 2009 Self-employed as an office for SV. m.Dipl. (bwa) BM.Ing. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure, construction, EU stamp 2008

(1083) 2008 - 2009 Self-employed as an office for SV. m.Dipl. (bwa) BM.Ing. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure, construction, planning competition ORG - HS Deutschwagram

(1084) 2008 - 2009 Self-employed as an office for SV. m.Dipl. (bwa) BM.Ing. Architects, CAD, accounting, data processing and information technology, cooling, heat and sound insulation, Asphalt and moisture insulation against moisture and water pressure, construction, scripture Generic activity; "Fragments" - see website
